Explanation of Responses:

1. On July 27, 2015, Symetra Financial Corporation's board of directors declared an extraordinary cash dividend to shareholders of record as of August 10, 2015 of \$0.50 per common share. Pursuant to the provisions of the Symetra Financial Corporation Equity Plan, on July 29, 2015, Symetra Financial Corporation's compensation committee approved a non-discretionary adjustment to outstanding stock options to reduce the exercise price of the options from \$26.70 per share to \$26.20 to reflect distribution of the extraordinary dividend to shareholders. The Securities and Exchange Commission deems any adjustment to the exercise price of an outstanding option to be a cancellation of the "old" option and a grant of a replacement option; therefore, these two reported transactions reflect the adjustment of that stock option. The adjusted stock option was originally granted on June 7, 2010 and vests on June 30, 2017.
